

SYNASC 2018

20th International Symposium on Symbolic and Numeric
Algorithms for Scientific Computing

September 20-23, 2018 Timișoara, Romania

www.synasc.ro

Aim

SYNASC aims to stimulate the interaction between the two scientific communities of symbolic and numeric computing and to exhibit interesting applications of the areas both in theory and in practice. The choice of the topic is motivated by the belief of the organizers that the dialogue between the two communities is very necessary for accelerating the progress in making the computer a truly intelligent aid for mathematicians and engineers.

Publication

Research papers that are accepted and presented at the symposium will be collected as post-proceedings published by Conference Publishing Service (CPS) and will be submitted for inclusion in IEEE Xplore and for indexing in ISI Web of Science, DBLP, SCOPUS.

Submission

Submissions of research papers are invited. The papers must contain original research results not submitted and not published elsewhere.

There are four categories of submissions: **Regular papers** (max 8 pages), **System descriptions and experimental papers** (max 4 pages), **Work in progress papers** (max 4 pages), **Posters** (max 2 pages).

All papers should be submitted electronically through:

- + <https://easychair.org/conferences/?conf=synasc2018> (for the main tracks)
- + <https://easychair.org/conferences/?conf=synasc2018workshops> (for the workshops)
